

TESTIMONIALS

“Epic Eagles will blow your mind. I have seen them several times and have had the pleasure of producing a Show with them and will definitely work with them again on future projects. Down to earth guys.....A real class Act.” - Cyndi Turner Promotions

“Epic Eagles were true professionals in every sense of the term. Our festival was filled to capacity with anticipation and these gentleman delivered. The harmonies on hit after hit from the first song to the last had our crowd singing along the whole evening. We’ve already had requests for us to have them back. And we will!!” - Bobby Orr, Event Chairman, Brockville Ribfest

“I had the pleasure of working on our Town board for Midnight Madness. I hired Epic Eagles and they were impressive from booking through the entire process. Now, the performance!!! They are amazing. I am a huge Eagles fan, these guys are the real deal!! EPIC EAGLES is a great band and nail it!!° Thanks guys!! Bolton and myself loved you!!!! ” - Bolton Midnight Madness- Linda Nusca-Albertyn

“Epic Eagles delivered a stellar performance of the classic hits, with authentic instrumentation and spot-on harmonies. A world-class act!”

— Nashwaak Music Festival 2019

“Just near the end of the nearly two hour long concert on Sunday night by the cover band, “Epic Eagles” a light rainfall started. But, it did not deter concert-goers on the main track. The five man band was phenomenal. Their musicality was impressive. The harmonies were melodious and sharp. Each member could sing and play multiple instruments. The last song of the regular set was “Hotel California”. The audience sang along as the song progressed. A two song encore followed the cheering end to the regular set. The band commented on the response of the audience and said they would like to return at some point and the loud clapping of the audience further endorsed the band’s reception and an acknowledgement of their immense talent....” - Article by Louise Smith
