**Off the chain**

These four (4)men have their act together. I hope to see them again the next time they are performing.

**Loved the show at The Peabody**

My wife and I saw the show last night in Daytona what a great night of Motown hits and Holiday classics. These 4 guys were spectacular singers and dancers and put on a fabulous show. I would have liked a couple of 4 Tops songs but who could complain about this show from start to finish. By the way the band was great as well.
