the crossover ballad "Another You". The new edition is available on iTunes, Amazon and wherever digital music is sold. Orianthi's latest studio album, which she describes as a "stylistic mix of voodoo rock blues", was released on March 12, 2013 via Robo Records (distributed by Universal/Fontana).

All three bonus tracks on the Deluxe Edition were recorded in Nashville and co-written by Orianthi. "Sex E Bizarre" was produced and co-written (along with Orianthi and Steven Tyler) by Marti Frederiksen (who has a long history working with legendary rock band Aerosmith, as well as Faith Hill, Def Leppard, Daughtry and others). The previously unreleased "Better With You" and the alternate mix of "Another You" were produced and co-written by Bobby Huff (LeAnn Rimes, Tim Finn) and Blair Daly (Keith Urban, Tim McGraw, Rascal Flatts, Uncle Kracker).

"I'm excited to share these new songs with fans, especially the rockin' party track 'Sex E Bizarre' which features Steven Tyler", said Orianthi. "It was an honor to have one of the greatest and most recognizable voices in music lend his vocals to the song", she continued.

Orianthi garnered mainstream success with her platinum selling single "According To You", played the 2009 Grammy Awards with country sensation Carrie Underwood and was hand-picked by Michael Jackson to be his lead guitarist for the ill-fated "This Is It" tour. Orianthi is currently touring as the lead guitarist for Alice Cooper and playing a few solo shows in the U.S. and UK while on the road.

Hollywood, CA - Platinum selling artist and Australian-born guitarist Orianthi released the Deluxe Edition of her album, *Heaven In This Hell* today. The extended album features three new bonus tracks, the pulse pounding "Sex E Bizarre" with Rock and Roll Hall of Fame Artist Steven Tyler, an upbeat rock song "Better With You" and an alternate mix of
