“Butta B-Rocka is an exceptional singer/songwriter/producer that is poised to do BIG THINGS in 2012!!!! She has a very unique and infectious lyrical style that will catch the ears of many!” January 10, 2012

[James Leach](#), *Vice President Writer/Publisher Relations - West Coast Operations, SESAC, Inc.*

“Butta is one of the most talented songwriters in the country. Her style is versatile and unique. This coupled with her deep down burning desire and unwillingness to settle for anything less than ultimate success has made her a force to be reckoned with in the music industry. If you want to work with her, you better contact her quickly as her schedule is constantly overflowing.” December 8, 2011

“Butta is an experienced performer, song-writer, artist and professional. I have had the pleasure of working with her on projects and also performing with her. She is a natural talent with a bright future ahead.

You will not go wrong if you are looking for a serious minded individual who loves making good music.

Her vocals are great and her vocal arrangement and writing abilities are spectacular as well.

I also look forward to making more hits with her!
