"Not Alone has got everything, guitar to rhythm with an excellent stage presence and catchy lyrics that pull you right in... They are the evolution of classic guitar for the modern era. Their harmony, pure 'instrumental athleticism' and song writing talent bond to generate a distinct musical force."

"Comin' up on 'Live Lixx at Six', I'm really excited... this band from Philadelphia, they are called 'Not Alone' and you are gonna love this band! Ladies? They're not bad to look at either.. This is an incredible band; you don't want to miss a second of it. I'm lovin' gettin' them on [the air live]... Damn!!! SMOKIN'!!!"

~ **Skip Dixon, Program Director 98.1 FM; Ocean City, MD**

"What a great band. Really, really solid... They tore the place up, awesome... If you get a chance to get out and see these guys live, its well worth your time. In my opinion that's really where they shine. Great, great live show... A great up and coming band.... I was really blown away... They do a hell of a show."
